

10X You,
Your Team,
Your Business

Lead NOW Lab

A grit building process to restore your wellness and re-engage your leadership A-Game.

A Scale Up Lab by 10X-E:
Business building sprints with seasoned CEOs

Designed for Founders, CEO's, and Execs in growth ventures

55%

of CEOs are feeling stretched and are compromising on important wellness areas.*

*10X-e survey conducted in July 2020

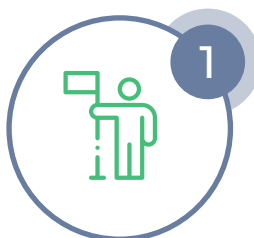

Leading with positive energy and clarity when working twice as hard for half as much under chronic uncertainty is a tough ask. But that's just what your business needs from you. Build the habits that fill your tanks, so you can deliver.

For business leaders who are determined to navigate the impact of the crisis, the Lead NOW Lab provides practical guidance and coaching to help you and your team through the storm.

[Click here for more about the Lead NOW Lab.](#)

Three reasons why you need to attend this Lab:

Build resilience to re-engage and sustain your A-Game through a crisis

Build self-awareness and self-management habits to succeed in challenging environments

Coach your team to navigate through difficult situations

Meet your facilitators:

Kerrin Miller

Principal Psychologist and Co-founder of Factor10 Consulting
